Department of Public Examinations (DPE) Maldives (1) ﷲ ﷲ ﷲ

Results Enquiry & Amendments Starts

We have started issuing result enquiries & amendment application forms. All candidates having any enquiries regarding the grades achieved are able to request a recheck result. The fee details for the services requested are available from Department of Public Examinations and School centres. School candidates are to request any enquiries to their respective centres.

To change the details of candidates name or date of birth, can be done till the 07/02/2018. It is important to know that during this period amendments are free. Private candidates can apply for the service through DPE, during the working hours. School candidates have to apply their respective parent centres to get the service. We highly advice the centres to collect the fees upon request by the candidates. This is to avoid any issues regarding payment that have to be made by school.

We have updated the DPE website (www.dpe.edu.mv) with the fee sheet for the service. The forms have been mailed to the centres email. Please assure that the forms are filled with the required service and fees are collected before sending the form to DPE.

Exam will End on the 26th of this month. Paper Collection trips will start within week of this time. All documents regarding the paper collection trip will be mailed to school

IMPORTANT EVENTS FOR FEB 2018
